

Long Row Primary and Nursery School

Please read some of the annual report feedback from our parents and governors.

Our child is always happy coming to nursery. He settled well and we definitely see progress in communicating and interacting with adults. We look forward to returning on September.'

(Nursery)

'Our daughter has really enjoyed school, we really appreciate all the support and activities the school has put in place which made it easier for her to settle in from another country.'

(Reception)

'We are over the moon with her report. Thank you for helping her to make amazing progress - particularly in phonics. We really appreciate hearing how she interacts with her peers and how she is able to assert and self-advocate. Thank you again for providing what is clearly an outstanding learning environment.' (KS1)

Thank you for supporting our daughter with her transition and learning. She tells us she loves going into school and often runs ahead through the gates in the morning.' (KS1)

As parents we could not be prouder of our son and his achievements this year. It's been amazing to see how much he has grown and excelled in school. We are very grateful for all your support in his education and are very proud to be part of such a wonderful school.' (KS1)

'To everyone at Long Row, who provides our daughter with a wonderful learning and supportive environment in which she feels happy and secure. Thank you.' (KS2)

'Many thanks to the team at Long Row in supporting our daughter and other children so well again this year. In particular for the range of opportunities the children have for them to develop and try new things.' (KS2)

'We are very pleased with our son's progress. We have seen a big change in his attitude to learning and pride in his work. We would all like to thank Long Row for the support he has had, including through Covid. His report is even better than we imagined.' (KS2)

Progress

'Our daughter has really enjoyed every single day in your class and she has learnt a lot and improved in many ways.'

'We have seen a great improvement in our son from the beginning of the school year to now and are very proud of all his achievements.'

'We are very delighted to read such a positive report from her first year at school. She made big progress in her reading and writing.'

'Myself and my husband are both very happy with the progress our son has made this year. We appreciate the effort you have put into helping him with his reading and writing.'

'Really happy with our son's report, his improving vocabulary is becoming very apparent at home as is his creativity when developing projects found in his imagination.'

'Our daughter's academic performance has improved a lot. I am very grateful to the teachers for their support and assistance this year. I hope she will continue to work hard and strive for greater progress.'

Social and emotional learning

'It is lovely to hear our daughter is doing well and developing well with making friends. Her enjoyment of activities with class mates is reassuring.'

'Lovely report... I love how it prints a picture of how she exactly is,'

'Our daughter loved 'How the Wild things were'. Many thanks for your efforts growing her confidence - we've noticed a big difference too.'

'We cannot thank you enough for how you have helped our daughter grow in confidence and helped her realise it is ok to make mistakes and correct them. She is always happy to come to school, talks about the fun activities ... and is becoming more determined to challenge herself. She really enjoyed transition week.'

'Our daughter has thrived... she has loved coming into school every day. We couldn't be happier with her achievements during this time.'

Thank you

'Thank you for all your hard work, our daughter is excited to be starting Reception in September.'

'Thanks for your hard work and support and looking after our daughter so well in Nursery.'

'Thanks so much for this and for everything you have done for our son this year.' 😊

'Thank you for all your hard work and the wonderful learning environment.'

'Thank you we really appreciate your patience, kindness and understanding in helping our son progress this year.'

'Many thanks to all the teachers who help in her studies. She comes home every day and tells me how interesting it was at school.'

'We are very proud of his progress and we thank you for keeping our son intrigued and motivated.'

The staff at Long Row would like to thank all parents for their positive feedback and we look forward to continuing to support every child's learning journey through our school.
