

Brass & Recorder Lessons at Long Row with Cat Johnston!

I'm delighted to be offering brass & recorder lessons at Long Row. Learning an instrument is a fantastic thing to do. It's super fun, teaches work ethic and is great for your lungs too!

Recorder lessons are available for any age. Brass from year 4, or younger if there is musical support at home/you already have your own instrument. *(The music partnership only lends instruments and provides subsidies to yr 4+)*

No need to buy a brass instrument. You can hire one, for a one-off fee of £30 from the music partnership.

For more info about lessons, send me an email cat.johnston95@gmail.com or visit my website: www.catjohnstontrumpet.com

Always happy to answer any questions you might have!
