

Making music Making friends Making memories

Inspirational musical experiences for
young people

**Join now and get
two weeks FREE***

Play an instrument? Join now and get two weeks free!*

We provide inspirational musical experiences through weekly term-time rehearsals, regular concerts and performing opportunities, workshops and biennial tours.

Both in and out of rehearsals, we offer a positive, supportive space where children and young people can grow in confidence, socialise with friends and step outside their comfort zone. Visit our website to find out more!
