

Hello,

Thank you for registering your interest in flute or clarinet lessons with me. A little bit about myself, I have been playing the flute for over fifteen years and I play with various bands and orchestras. In addition to my music background I also have a degree in Teaching and a Certificate for Music Education. If your child is interested in having lessons please email me at emilyflutetutor@gmail.com to discuss the next steps for flute lessons.

- Lessons are currently priced at £5 for a shared lesson and £10.00 for an individual 20 minute lesson. There are other times available if this would be better and the first six lessons currently have a discounted rate at £1.75 per lesson.
- This is not a contract; it is only to indicate interest in having lessons
- Subsidies are available for pupils in receipt of free school meals/income support/income based jobseekers allowance/working tax credit and for pupils with special educational needs
- To get the most from music lessons, parental support is vital to help students progress, with students expected to practice at least four times a week, for ten minutes to begin with.

Thank you, I will try and get back to you within two working days.
